

Paris, July the 1<sup>st</sup>, 2007

### **Inter-Mobile raises its third round of capital with NexTFund**

In July 2007, NexTFund has completed an Investment of 325 K€ with Inter-Mobile. The goal is to support Inter-Mobile growth's in France and Europe.

Inter-Mobile Mobile-Globe service focuses on alternative communications for mobile phones.

Inter-Mobile has launched its own "call manager" program; such program helps allows consumers to use VoIP features on their cell phones.

"Inter-Mobile has witnessed a strong development in France which we look to duplicate in Europe. Unlike Skype or Jajah, we are primarily focused on the untapped mobile users market." said Jean-François Grenon, Managing Partner of NexTFund Capital.

### **About NexTFund Capital:**

Founded in 2003, NexTFund specializes in growth capital equity investment. The company invests in the technology, services and innovative traditional sectors. NexTFund focuses on companies with a strong potential for external growth and/or strong go-to-market strategies.

NexTFund invests between € 500 k and € 2 m in lead or co-lead positions. The firm realizes 4 to 5 investments per year.
